Product Size & Specifications

The DRS-600 Sweeper is a powerful, battery-operated cleaning machine designed for efficient dust control in large areas. With advanced sweeping technology, strong suction, and an eco-friendly design, it ensures maximum cleaning performance with minimal maintenance.

Waste Dust Tank	300L	Anti-Smog Water Spray System	Yes
Clear Water Tank	300L	Drive Motor Power	3000W
Sweeping Width	2400mm	Cleaning Efficiency	23000m ² /h
Main Brush Motor	800W	Cabin	2 Person
In-Built Jet Pressure Washer	130Bar	Charging Time	6-8h
Battery Capacity	15Kwh	Working Time	7-8h
Maximum Drive Speed	25Km	Product Size	3660x2400x2200mm

Battery-Powered Sweeper Truck – Efficient & Reliable

Designed for large-scale cleaning with a 300L water tank, powerful side brushes, and an intuitive control panel for effortless operation.

1.Warning lights	2.300L Water Tank
3.Rearview mirror	4.OEM control panel
5.Side brush	6.Scraper blade

Eco-Friendly Dust Control with Spray Technology

Equipped with a 300L large water tank, reducing the need for frequent refills for uninterrupted, long-term operation.

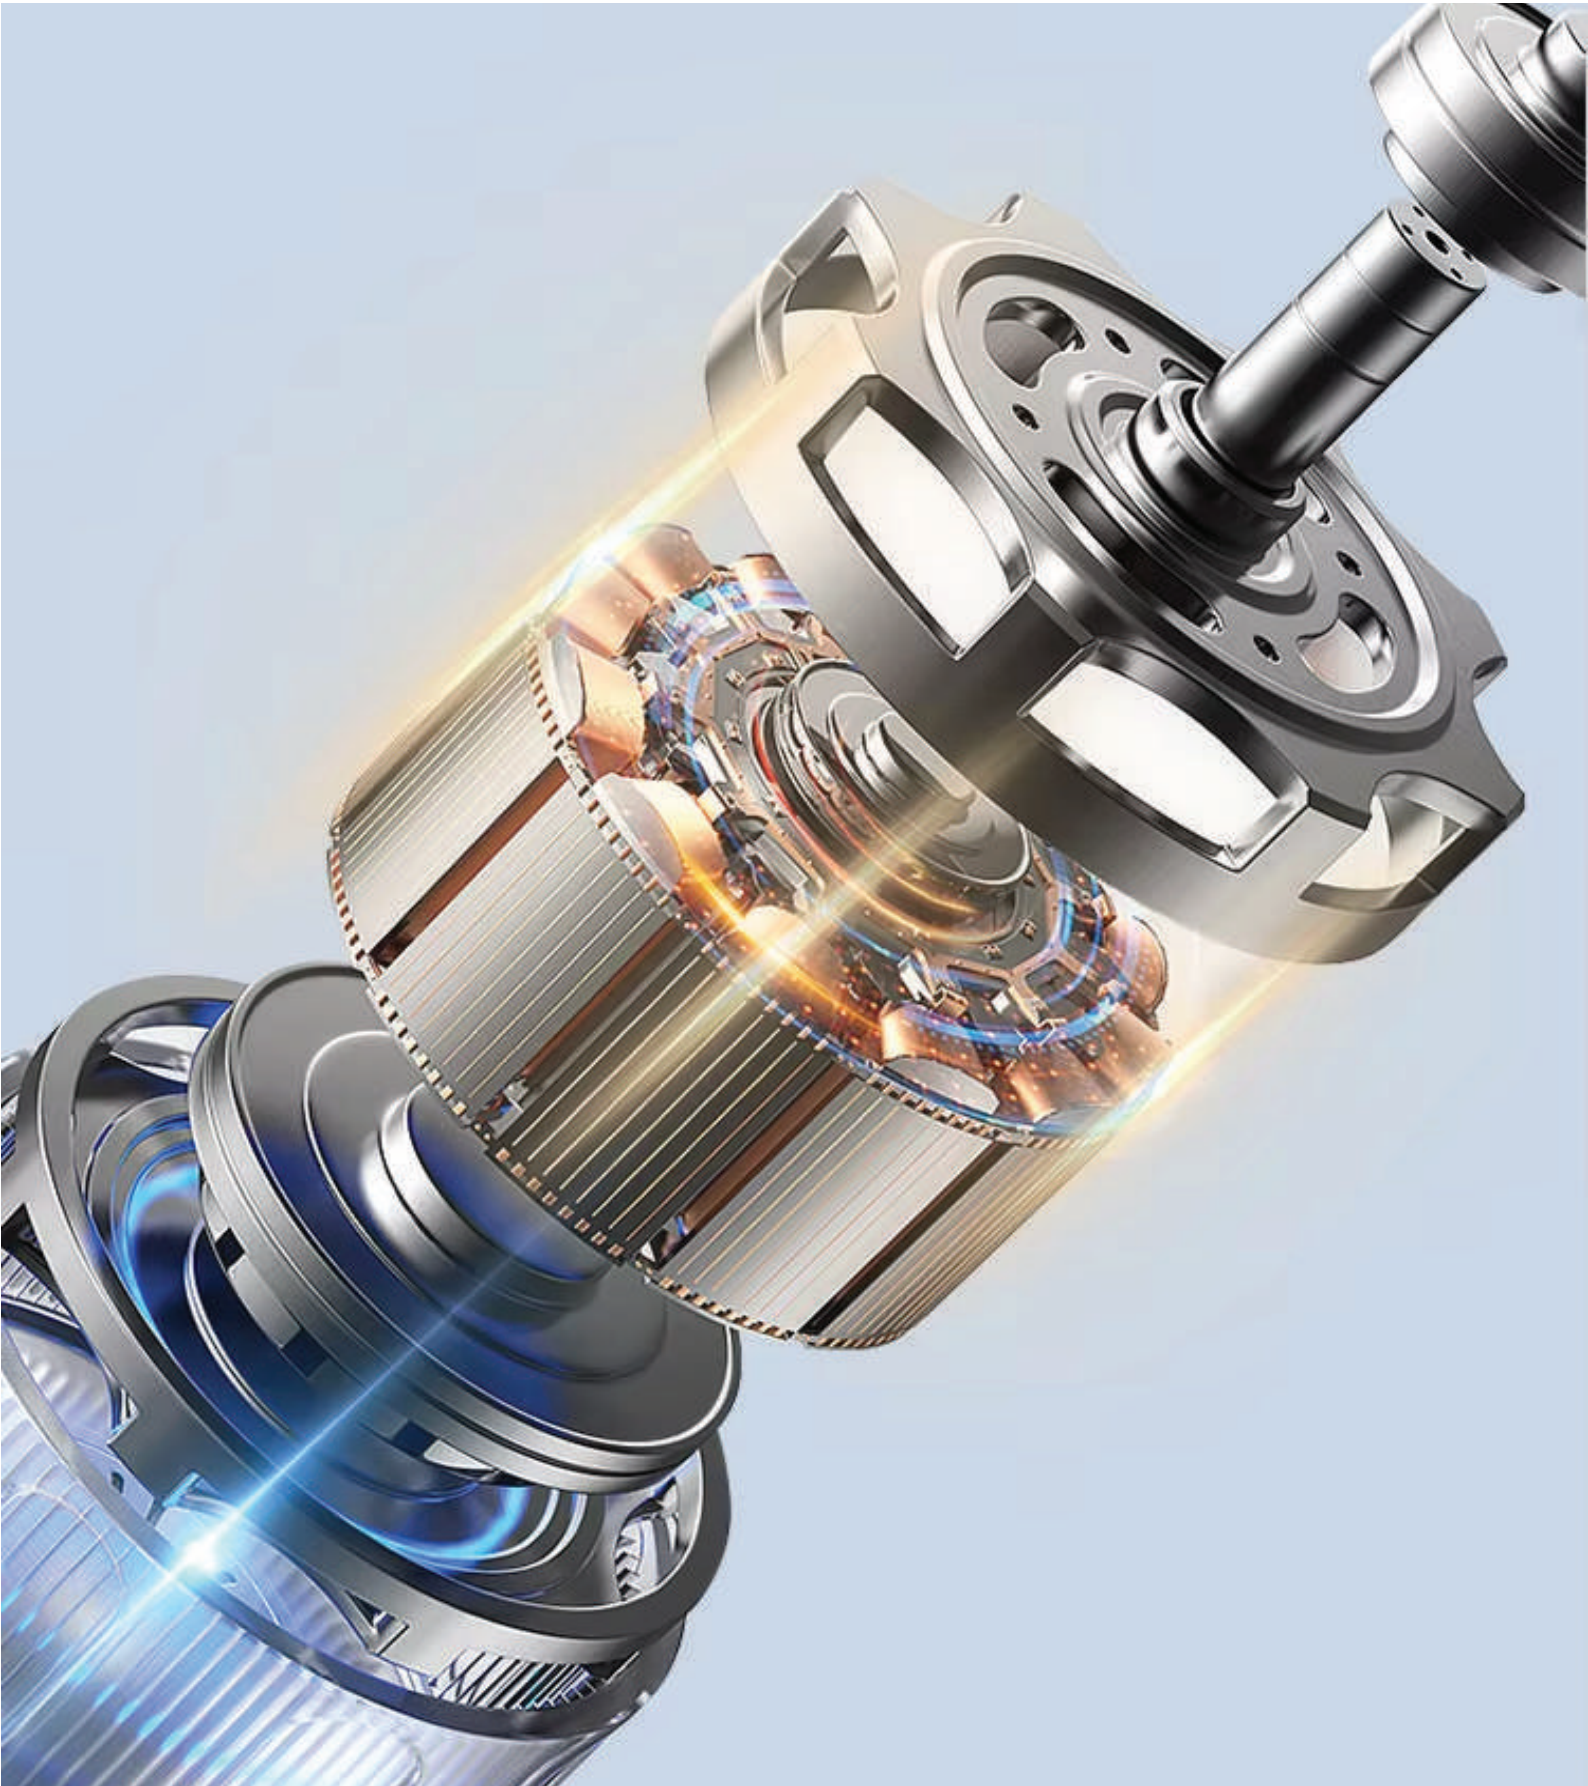

800mm Main Brush – Durable & Efficient

Hard-wearing, wear-resistant bristles ensure long service life and superior cleaning performance.

Silent & Powerful Brushless Motor

Upgraded design ensures high speed, low noise, and extended battery life for optimal performance.

High-Efficiency Electric Sweeper

Covers 23,000 m²/h with powerful cleaning. Durable, labor-saving, and built for tough tasks.

15%

Climbing Slope

Advanced Electric Sweeper Truck

Powerful, efficient, and dust-free cleaning with smart features.

OEM control panel

Simple operation panel, easy operation, customizable button icon

300L Water Tank

Large capacity water tank, continuous sprinkling to reduce dust

Spray water to reduce dust

It can adjust the water volume and effectively deal with various working environments

300L Capacity Dustbin

300L garbage tank, avoid frequent dumping, improve work efficiency

High Pressure Water Gun

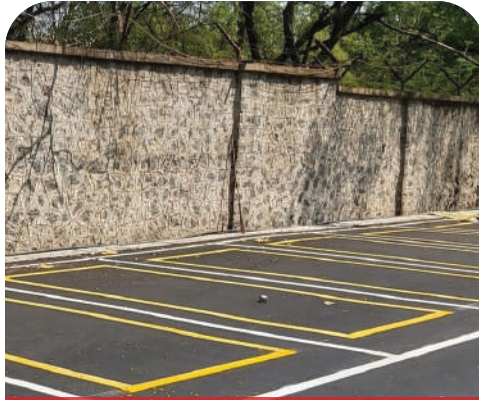

Multifunctional high-pressure water gun, available to switch multiple modes

The Ultimate Sweeping Solution for Cleaner Cities & Industries

The DRS-600 battery-operated sweeper is designed for heavy-duty cleaning in various public and industrial spaces. It ensures efficient dust and debris removal, making it ideal for:

Roads & Highways

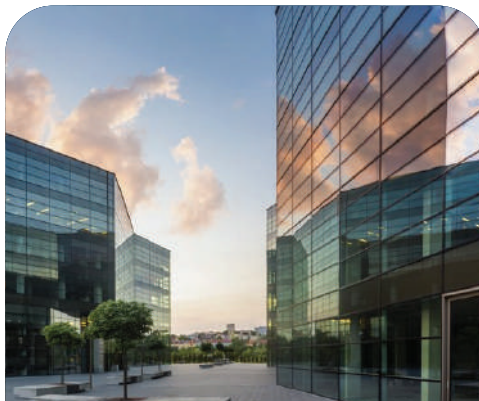

Parking Lots

Airports

Industrial Areas

Commercial Complexes

Factory

Municipalities
