

POWERFUL ESCALATOR CLEANER

Achieve deep cleaning with advanced brush technology and strong suction. Removes dirt, grease, and debris efficiently for safer, spotless escalators. Designed for ease of use with minimal downtime.

Product Size & Specifications

Explore the precise dimensions and technical details for optimal performance and compatibility.

Clear Water Tank	32L	Suction Motor	500W
Waste Dust Tank	35L	Brush Pressure	30Kg
Scrubbing Width	510mm	Cable Length	15m
Cleaning Efficiency	1000m ² /h	Weight	130Kg
Voltage	220V	Size	1220x620x980mm
Brush Motor	1600W		

Wider Cleaning, Faster Results

Designed for escalators of 600mm, 800mm, and 1000mm width – Ensuring Deep Cleaning & Maximum Performance with Every Pass.

Large Capacity for Continuous Cleaning

Equipped with a 35L sewage tank and a 32L water tank for extended operation and efficient escalator cleaning.

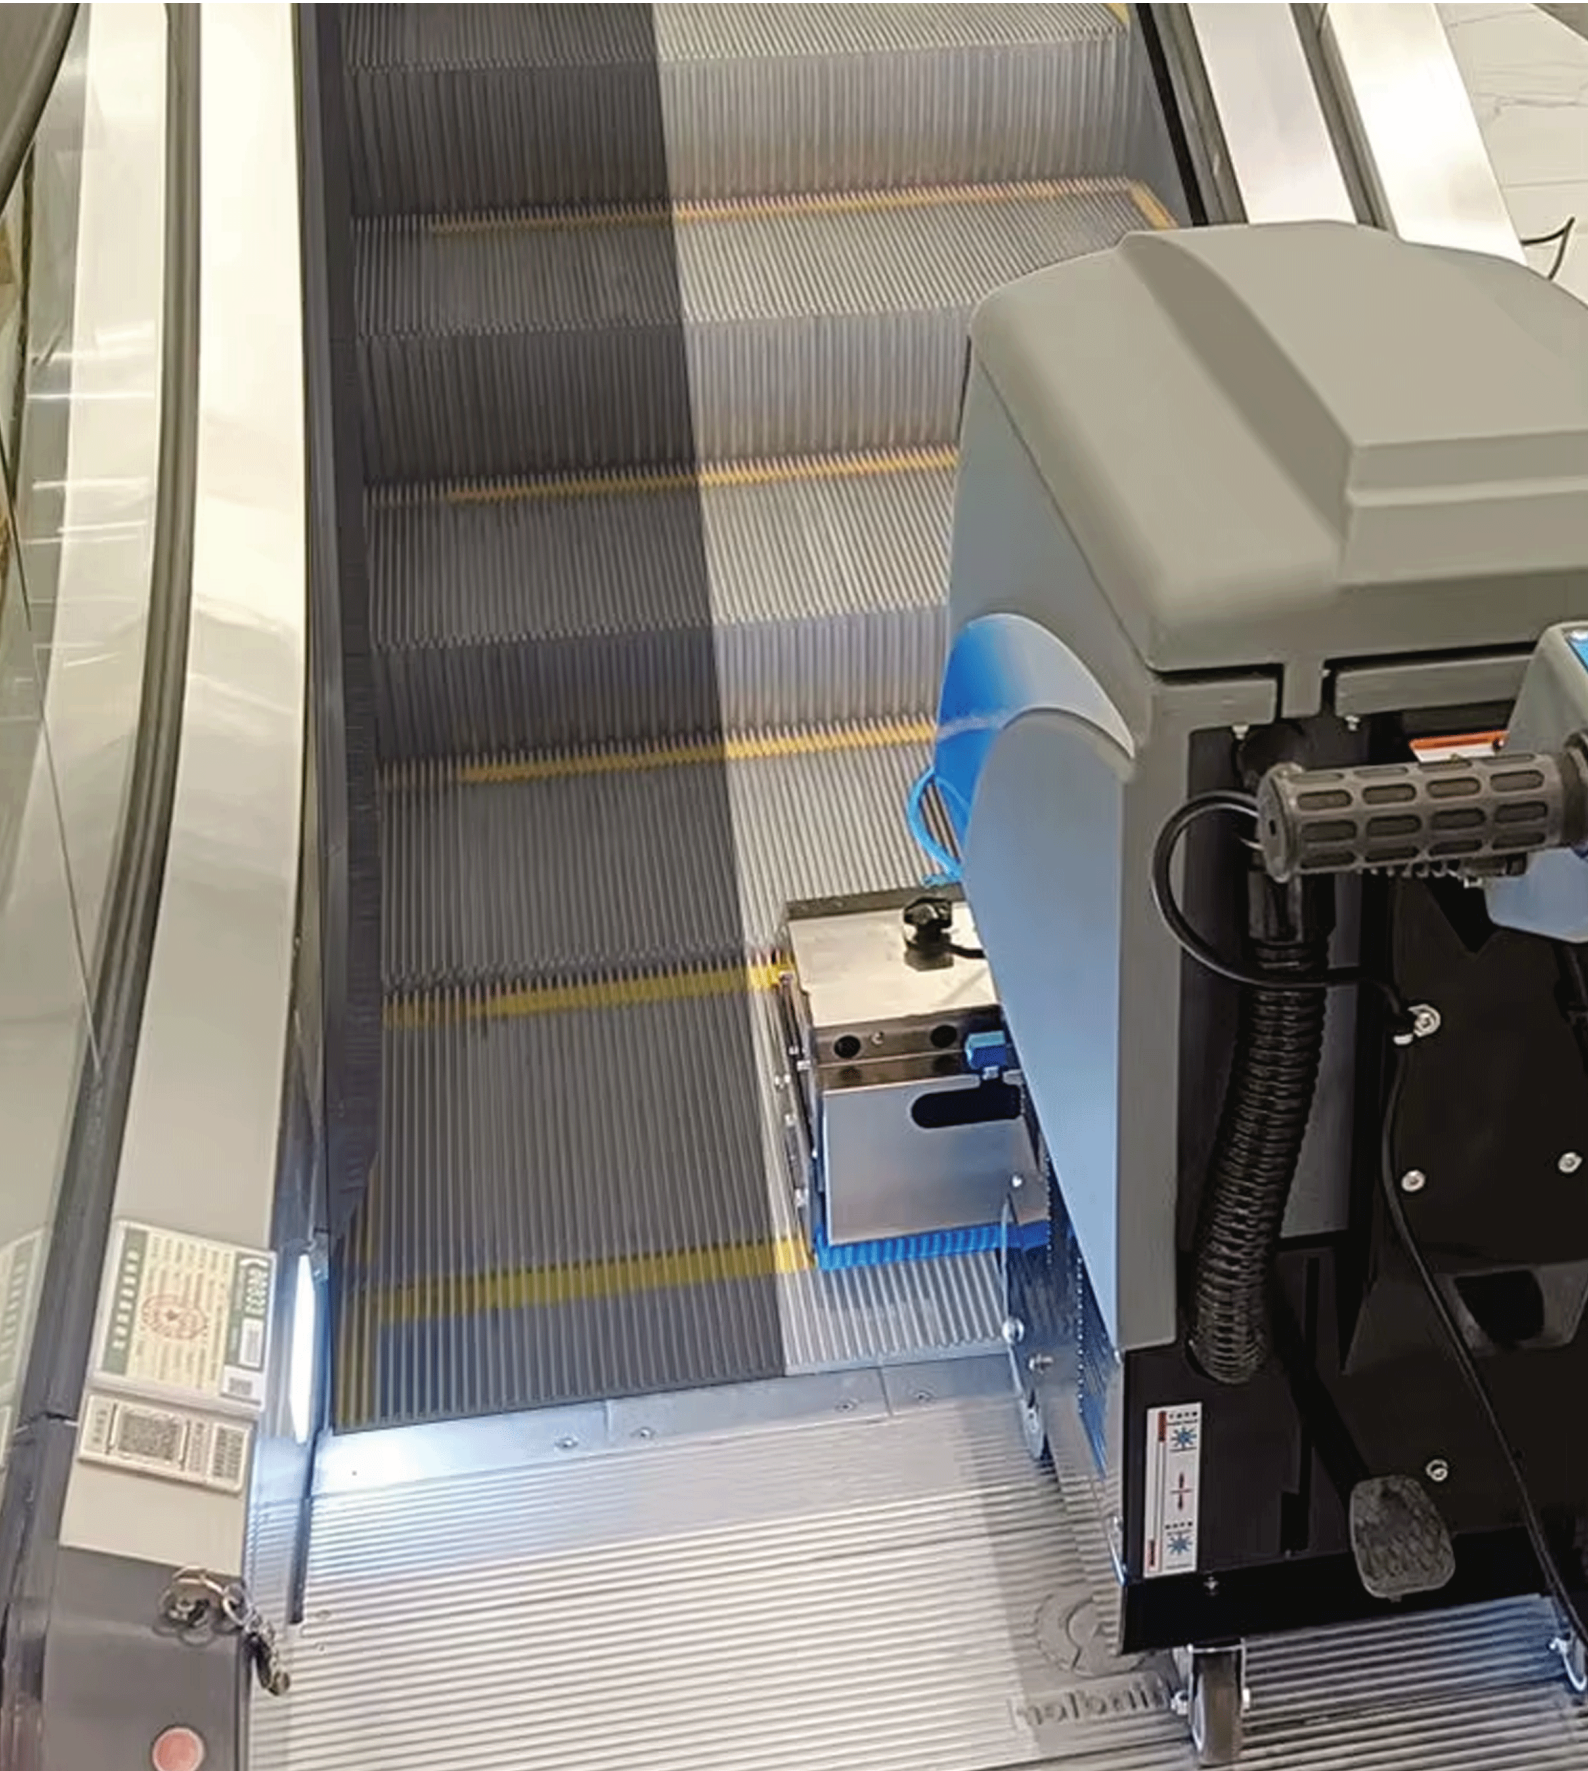

510mm Dual Rolling Brushes for Deep Cleaning

Thoroughly cleans escalator steps without leaving residue, ensuring spotless and safe surfaces.

Complete Escalator Cleaning in One Go!

High-performance 2000W rolling brush motor with 600 RPM disc brush speed – Ensuring efficiency, durability, and low noise operation.

Powerful Motor for Superior Cleaning

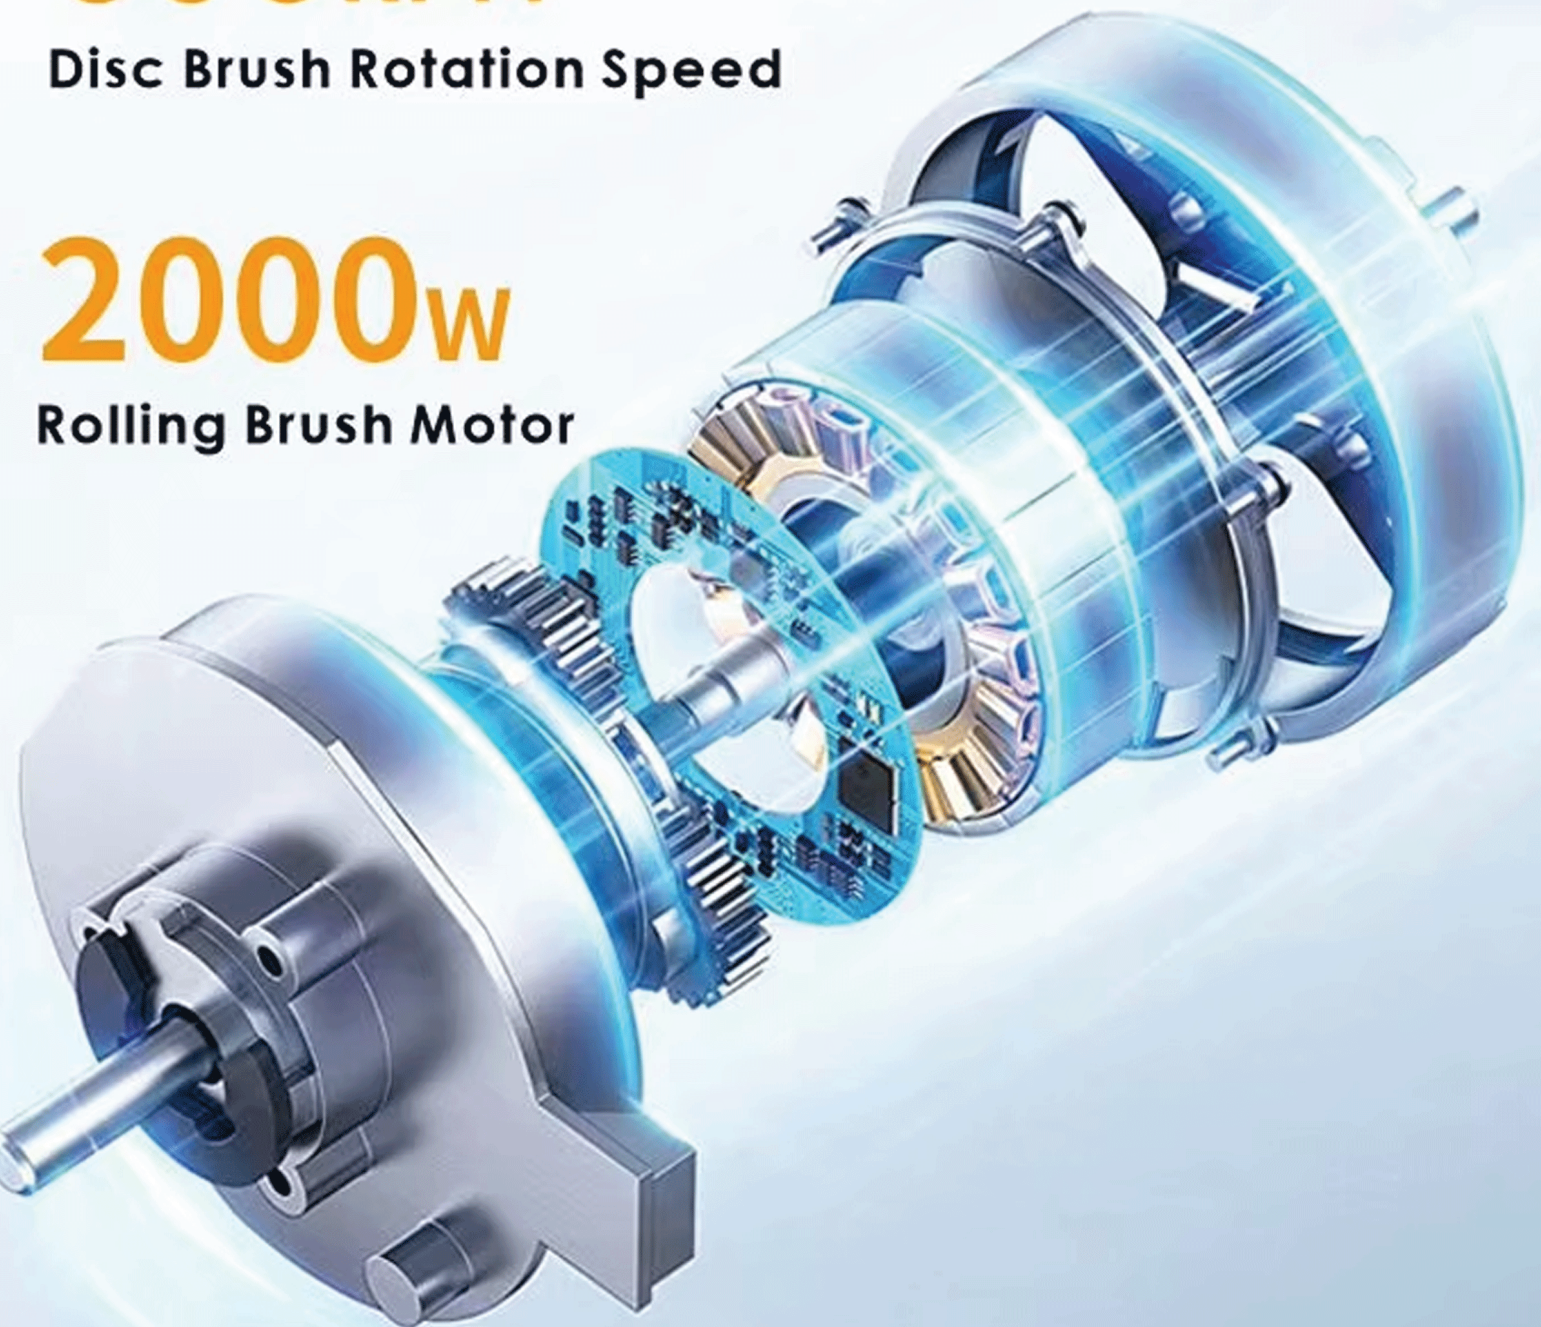

High-performance 2000W rolling brush motor with 600 RPM disc brush speed – Ensuring efficiency, durability, and low noise operation.

600RPM

Disc Brush Rotation Speed

2000w

Rolling Brush Motor

Versatile Water Pump Spraying for Deep Cleaning

Effortless cleaning for escalator handrails and glass panels with multifunctional efficiency.

Advanced Design for Seamless Operation

Enhanced Features for Durability, Efficiency, and Ease of Use

Equipped with a dual float ball motor protection device.

Equipped with rubber anti-slip large wheels, providing flexible steering and durability.

Convenient button switch for easy operation with a simple and user-friendly interface.

Convenient disassembly and assembly of the cleaning rolling brush for easy maintenance.

Versatile Cleaning for Various Public Spaces

Efficient and reliable escalator cleaning for hospitals, shopping malls, hotels, subways, public squares, and airports, ensuring a spotless and hygienic environment.
