

DJE-18 HIGH-PRESSURE JET WASHER – POWER & PRECISION

Effortlessly tackle tough cleaning challenges with the DJE-18, engineered for high-impact performance and reliability.

Product Size & Specifications

Explore the precise dimensions and technical details for optimal performance and compatibility.

Pressure	120Bar	Weight	20.5Kg
Flow Rate	10L/Min	Water Tank	NA
Fuel	Electric	Working Time	NA
Power	1.8Kw	Product Size	48x48x38cm
Voltage	220V	Hose Length	10m
Speed	2800Rpm	Wire	3m

DJE-18 High-Pressure Jet Washer – The Ultimate Cleaning Power

Experience next-level cleaning with upgraded technology, superior pressure, and unmatched efficiency. Effortlessly remove dirt, grime, and stains for a spotless finish.

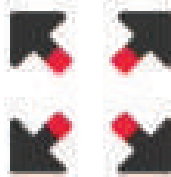

DJE-18 – Six Core Strengths for Superior Cleaning

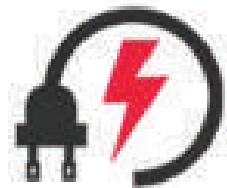

Engineered for efficiency and power with advanced features like a booster motor, high mobility, intelligent start-stop, and multiple water options for a seamless cleaning experience.
