# Eco-Friendly & High-Performance Sweeper

- **Efficient Water and Dust Management**

With a 600L water tank and 480L dust tank, this sweeper ensures efficient and continuous cleaning.

- **Anti-Smog Water Spray System**

Equipped with an advanced water spray mechanism to suppress dust and smog, ensuring cleaner air during operations

- **Battery-Powered Efficiency**

The 300Ah lithium battery ensures zero CO<sub>2</sub> emissions for a cleaner environment. Comes with a 3-year warranty for reliable performance.

- **Extended Working Time**

Delivers 7 to 10 hours of uninterrupted operation on a single charge, perfect for extensive cleaning tasks.

- **Exceptional Cleaning Efficiency**

Designed to cover 15,000–20,000 m<sup>2</sup> per hour, maximizing productivity in large spaces.

- **High-Pressure Jet Washer**

Features a powerful jet washer to tackle stubborn dirt and grime, delivering a spotless finish in every sweep.

- **High-Performance Suction System**

The powerful suction motor and brush system effectively collect dirt, leaves, and fine dust particles, ensuring spotless cleaning.

- **Low Sound Power**

The DRS-600DT operates in ECO mode, significantly reducing noise emissions, making it ideal for nighttime street cleaning without disturbing residents.

- **Plant Watering and Washing System**

Versatile functionality allows for efficient watering of plants and washing of streets, enhancing environmental cleanliness

- **Garbage Collection Vacuum Hose System**

Integrated vacuum hose efficiently collects waste and debris, simplifying the cleaning process and reducing manual effort.

# The Ultimate All-in-One Street Cleaning Solution

Advanced Sweeping, Water Spraying, and Dust Suppression – Ensuring Cleaner, Healthier, and Eco-Friendly Public Spaces.

**Plant Washing System**

**Jet Pressure Washer**

**Anit Smoke Spray**

# Revolutionizing Urban Cleaning with Precision and Efficiency

From Heavy-Duty Sweeping to Precision Vacuuming – A One-Stop Solution for Cleaner and Healthier Public Spaces.

## Battery vs. Diesel: Why Choose the DRS-600Dt?

| Features                   | DRS-600Dt (Battery-Operated)   | Diesel Sweeper Truck  |
|----------------------------|--|---|
| Cost saving                | <p>✔ <b>Low Cost</b><br/>Reduced energy costs and minimal maintenance.</p>                               | <p>✘ <b>High Cost</b><br/>Expensive diesel fuel and upkeep.</p>         |
| Operating Cost             | <p>✔ <b>200–300</b> rupees per day, and monthly it will be 6000 to 9000 rupees.</p>                      | <p>✘ 5000–6000 per day, and monthly it will be 1,50,000 to 2,00,000</p> |
| Environmental Impact       | <p>✔ <b>100% Electric – Zero Emissions</b><br/>Eco-friendly with no harmful exhaust gases.</p>           | <p>✘ <b>High Emissions</b><br/>Contributes to air pollution.</p>        |
| Noise Level                | <p>✔ <b>Ultra-Quiet</b><br/>Suitable for residential and urban areas</p>                                 | <p>✘ <b>Noisy</b><br/>Disruptive, especially in quiet zones.</p>        |
| Maintenance                | <p>✔ <b>Low Maintenance</b><br/>Fewer moving parts reduce wear and tear</p>                              | <p>✘ <b>High Maintenance</b><br/>Requires frequent servicing.</p>       |
| Battery vs Fuel Efficiency | <p>✔ <b>7–10 Hours of Continuous Operation</b><br/>Long-lasting lithium battery with 3-year warranty</p> | <p>✘ <b>Limited by Fuel Capacity</b><br/>Frequent refueling.</p>        |
| Pollution Control          | <p>✔ <b>Anti-Smog System + Zero Emissions</b><br/>Actively reduces dust and smog</p>                     | <p>✘ <b>No Anti-Smog System</b><br/>Adds to air contamination.</p>      |
| Versatility                | <p>✔ <b>Multi-Function:</b><br/>Plant watering, high-pressure washing, and vacuum hose system</p>        | <p>✘ <b>Single-Function:</b><br/>Limited to sweeping only</p>           |
| Cleaning Efficiency        | <p>✔ <b>15,000–20,000 m<sup>2</sup> per hour</b><br/>High productivity with low energy consumption</p>   | <p>✘ <b>Lower Efficiency</b><br/>Higher energy costs.</p>               |

# The Ultimate Sweeping Solution for Cleaner Cities & Industries

The DRS-600DT battery-operated sweeper is designed for heavy-duty cleaning in various public and industrial spaces. It ensures efficient dust and debris removal, making it ideal for:

**Roads & Highways**

**Parking Lots**

**Airports**

**Industrial Areas**

**Commercial Complexes**

**Factory**

**Municipalities**
